INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

EASTERN CHEROKEE ENROLLMENT,

WASHINGTON, D. C.

June 10, 1909.

*Margaret A. Price,
Gainesville, Ga.*

Sir:

On May 28, 1909, I reported to the Court of Claims that your application, No. 20155, for participation in the fund arising from the judgment of the Court of Claims of May 28, 1906, in favor of the Eastern Cherokees, should be rejected, and on June 10, 1909, the Court entered an order as follows:

"It is further ordered that the said roll of individual Eastern Cherokees entitled to share in the fund arising from the judgment in this cause, as reported by Special Commissioner Guion Miller, on the 28th day of May, 1909, be and the same is hereby approved, ratified and confirmed, except as to so much of the same as shall be specially excepted to on or before the 30th day of August, 1909. All such exceptions shall be forwarded to the Clerk of the Court of Claims, Washington, D. C., and shall be in writing, and shall state fully the grounds upon which such exceptions are based, and shall be supported by an affidavit of a person having knowledge of the facts and shall contain the name, age, and postoffice address of each individual claimed to have been omitted from said roll, or to have been improperly placed thereon. Said exceptions and affidavits shall be filed in duplicate in each case, but only the originals must be sworn to. In case an exception is filed on behalf of an individual whose name has been omitted from said roll the said exception shall set forth fully the English and Indian name of the ancestor through whom claim is made, who was living in 1835 or 1851, and shall give the age of said ancestor in 1835 or 1851. Such exceptions must further state the number of the claimant's application. All such exceptions shall be set down for hearing on the third Monday in October, 1909."

No exceptions, or letters, not strictly complying with the requirements of the above order of the Court in regard to the filing of exceptions will be considered.

Very respectfully,

GUION MILLER,

Special Commissioner.

App. #20155.

June 20, 1907.

Margaret A. Price,
15 Sealand Ave.,
Gainesville, Georgia.

Madam:-

Your letter of June 11, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 24,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is anything further required in connection with your application you will be duly notified.

Very respectfully,

NLC.

Special Commissioner.

My name is Martha Bryan. My age is 48 years old. I live in Jackson Co., Ga. and have lived in Ga. all my life. I am claiming Cherokee Indian blood as my grandparents told me that I had Cherokee Indian blood. My grandparents were raised in Warren Co., N. C. I never lived with the Indians, but remember seeing them visit my grandparents. I claim through my father Albert Stephens. He is dead. Died during the war. Must have been about 35 years old. Have heard my people talk about the treaties of 1835-6 and 1846. I do not know whether they were parties to the treaties. He was living in Ga., I think, in 1835. My mother's people came from S. C. I have heard my grandmother Turner talk about the Indians and about living with them. My grandmother was Neely Joanna Turner. My people were always recognized as white people but have been called Indians. Now I have an uncle but he has lost his mind.

George Robert Wheeler, ----- Being duly sworn, deposes and says:

My name is George Robert Wheeler. I am about 63 years old. I have lived in Hall Co., 35 years. I have lived in Georgia practically all my life. I was not enrolled in 1861. I do not know why I was not enrolled. I claim my Indian blood through my grandfather on my mother's side. My mother's name was ~~Ann~~ ~~Winn~~ Goddard before marriage. My mother is dead. She died in 1857. She was somewhere in the fifties. I do not know that she was ever enrolled. She lived in Bartow or Cass Co. in 1851. My grandmother was Winnie Tidwell. I claim through my mother's father John A. Goddard. I never heard my mother say anything about the treaties of 1835-6 and 1846. John A. Goddard lived in Bartow Co. I do not know that he ever went away from Georgia. I claim Cherokee Indian blood. Some relatives spell Goddard "Geddard". I don't know whether he had any x brothers. I had an Uncle Tom and Billie Goddard, sons of John A. Godard. I do not think John A. Godard ever went to Indian Territory. I don't know any initials. I do not remember ever having heard my people say anything about any of my people living west of the Mississippi river, excepting an aunt, Mahala Hughes. I have a cousin Delsey Godard, and she married a Reed, and lived in Texas. I do not remember John A. xGodard. Uncle Jeffrey, spelled his name ~~Jeffrey~~ "Gothard". John A. Godard also had a son Jeffrey, a daughter Mahaley, and my mother, Charity. I do not know that the Gothard's ever had any Indian name. I am a brother of William H. Wheeler, (#20166) who claims through the same source.

Appl. #20187

Mary L. Preston being first duly sworn, deposes and says:--

My name is Mary L. Preston. I live at Huntsville, Ala. I was born in 1837 in Franklin County, Tenn. I made a mistake. I was born in 1844. I claim through my mother and her mother. I claim to be connected with the Cherokee tribe of Indians. My mother always told me so. My mother was born in Franklin County, Tenn. My mother died about five years ago, and was over 70 years old. I mother was recognized as a white woman, and not as an Indian. She lived with the white people. I never heard of my mother living with the Indian tribe. My mother's mother's name after she was married was Winkler. I don't know her given name. She is the one I claim my Indian blood through. I don't know her maiden name. I don't know what part of the country she came from. My grandmother lived with the tribe when my grandfather married her. My grandfather, Henry Winkler, was a white man. After he married my grandmother he brought her away from the tribe down to Franklin County, Tenn. I never heard of my mother or my grandmother getting any money from the Government on account of their Indian blood. I never heard of them being enrolled. I cannot remember any Indian name of my grandmother. I am the oldest child. I have never gotten any money from the Government. I never tried to get any money before. I have two sisters that left here and went to Ark. One of their husbands wrote and told me that there was money for me. My mother always told me that I would get money some day.

Sir:-

Replying to your letter of August 22, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or how much each successful claimant will receive.

As there are already over 36,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Honorable W. P. Brownlow,

Sir:

I have the honor to acknowledge receipt of your letter of January 20, 1909, inclosing a communication from Mr. Reuben G. Greer, and making inquiry relative to the Eastern Cherokee enrollment, and you are advised that I am making every effort to complete the enrollment so that I may make my report to the Court of Claims during the month of May next.

The Court will then no doubt allow a reasonable time for the filing of exceptions to my report, and until these exceptions are considered and disposed of, and the roll finally approved by the Court, no money can be distributed.

Until I make my report to the Court I do not feel at liberty to announce my decision in regard to any particular case.

Mr. Greer's letter is returned to you, herewith.
Very respectfully,

Mattie D. Lozier, being first duly sworn and examined,
deposes and says:

My name is Mattie D. Lozier: I have heard my mother
state that the grandfather of Polly ANN Sanders was brought over
from England and sold to the Indians and brought up with the Indians;
his name was Samuel Sanders: I do not know what relation Samuel
Sanders was to James Sanders: I have heard my mother say that
Samuel Sanders was her grandfather, and that Samuel Sanders
married the daughter of an Indian chief, who was a full blooded
Cherokee Indian woman: my mother told me that Samuel Sanders
was a companion of Daniel Boone and that afterwards he went to N. C.
and lived there.

Dear Sir:-

The following is a part of the information, you ask for in your letter of Nov. 12th 1907. The records have been poorly kept, and too, I have not had the time yet to make the investigation as complete as I would like to. I will appreciate an immediate reply to this, if you think this is sufficient, I will of course cease my search, if not, I will not let a stone be unturned till I have what is absolutely necessary.

X Thomas Poindexter came from England to America, and settled in the state of Va. He, or either his son, name Thomas, was married twice, there seems to be quite a romance connected with his first courtship and marriage. His first wife was the daughter of an "English Nobleman". "Susan Hughes" The second, the daughter of an Indian Chief. "Bettie Pledge". Thomas and Bettie Pledge Poindexter, lived in Surry Co., N.C. immediately with the Cherokee Indians, only from our records, they did not live as the Indians. At one time they ran a Hotel, at a place called "Old Richmond" and at that time the county seat of Surry Co., but now this place is a Township in Forsyth Co.,

Among her guest at one time, was "Andre Jackson" and as per the letters of information I have, he left and failed to pay his bill. It stood against him until after the battle of New Orleans, and when they heard of his gallant work there, Thomas and Betty canceled the debt.

It is supposed that Betty Pledge Poindexter was born in Louisa Co Va. and I think the date of her birth is unknown.

She died Feb. 29th. 1816. She was buried on a hill beside the Yadkin River in plain view of the R.R. Station called Dorrha. Her grave is there now undisturbed only by time. Her children and their names as follows.

Boys Francis Poindexter.	Date of birth and death unknown to me yet.

Wm. P.	Born Dec. 7th. 1767
Jno. G.	" Aug. 3th. 1773. Died Oct. 4th. 1863
Robt. A.	" July 14th. 1783

Her daughters and their married names as follows.

Betsy McCannons.	Date of birth and death unknown to me yet.

ANN RADFORD SCOTT.	" " " " " " " " " "

The applications of the Phelps's Marion's Martin's Scott's Davis's Cox's Lovell's and a few others, come in through and by "ANN RADFORD SCOTT. (NE) Poindexter. My claim goes in as follows, which please attach this sheet to my application #20203. My Grand-Mother "Sally Marion" (ne) Houser the daughter of "Nancy Houser". (ne) Scott. a daughter of "Leonard Scott. which was the son of Daniel Scott. who married "ANN RADFORD POINDEXTER" the daughter of Betty Pledge Poindexter, which was the daughter of an Indian Chief. Charles M. Phelps,

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, you are advised that this Office is in receipt of your letter giving special data regarding the Betty Pledge Poindexter claim.

It is noted that in your application you state that Betty Pledge Poindexter is the grand-daughter of Chief Donnahoo, an Eastern Cherokee Chief. On the contrary, in your letter of recent date, you state that Betty Pledge Poindexter is "the daughter of an Indian Chief". Kindly advise this Office as to which statement is correct. Also state how Betty Pledge Poindexter acquired the name of Pledge.

Any further information you can furnish will be appreciated, although it will hardly be necessary for you to go to any great expense in the matter, as the claim will in all probability be taken up in the field.

Very respectfully,

App. #20203.

Chas. M. Phelps being first duly sworn deposes and says:

I am 30 years of age and reside at Winston-Salem, N.C. I was born in Forsythe County. My mother was born in Surry County. I claim through my mother, and through her through my grandmother, Sallie Marion who married a Hooser. She was born in Surry County. She was 70 odd years of age at the time of her death, which occurred about 2 years ago. I do not claim Cherokee blood through any other source than my mother and grandmother, back to Bettie Pledge Poindexter. I cannot say when I first heard of my Indian blood, but, as a boy I heard it spoken of in a general way. I did not hear of Donahoo at that time. I first heard of him about 2 years ago. I learned that I was a descendant of Bettie Pledge Poindexter through the older members of my family. I cannot say where Donahoo lived. As the information came to me, he lived in North Carolina. His people were in North Carolina, but I do not know where he came from. I learned that Bettie Pledge Poindexter was born in Louisa County, Va. from Mr. Pleasant Poindexter. I learned that Thomas Poindexter was an Englishman who settled from Dr. Sullivan indirectly. It would appear that Thomas and Bettie Pledge Poindexter were originally from Virginia. I first learned that Donahoo was considered a Cherokee Indian within the last two years. None of my people, so far as I know ever lived with the Indians as Indians. I have no family tradition which enables me to state when Donahoo died. It was said by the older people that he was a Cherokee Indian, but I do not know enough about Indians to know. ~~He is not a Cherokee Indian. He is not a Cherokee Indian. He is not a Cherokee Indian.~~ Rev. Heltzerbeck who lives in Stokes County, near Pinnacle, probably knows more about this matter than anyone else. His postoffice is possibly Rural Hall. As I understand it Donahoo was an Indian Chief who had a daughter who married a white man by the name of Pledge, and they had a daughter named Elizabeth or Bettie, Pledge, who married Thomas Poindexter, and through that source my Indian rights come. William Poindexter, the son of Thomas and Bettie Pledge was born December 7, 1767. I learned this from Pleasant Poindexter. I think William P. Poindexter was born and lived in Surry County, N.C. I was never enrolled as an Indian and never applied for enrollment before. I know of no reason why my people were not enrolled as Indians in 1851. I do not know why my ancestors were not enrolled in 1835. I do not think my people claimed to be Indians, but simply claimed to be related to Bettie Pledge Poindexter. None of my people that are living have ever claimed to be Indians as I know. They have always been admitted to the white schools without question.

Larry Cash,--being duly sworn, deposes and says:

My name is Larry Cash. I am 56 years old. I have lived practically all my life in Banks Co. I know Luella Moss. I have known her ever since she was born. I am a cousin to her. She has some Indian blood. George Axe was one of her Indian Ancestors. Her mother had Indian blood. Her name was Mandy Cash. She was not enrolled that I know of. I think my mother is still living. She is in Arkansas. She is about 48 years old. She never lived with the Indians. She was born in slave times and was owned by a man of the name of Perkins in Habersham Co. They, or her husband, belonged to Cash. She was born a slave and remained a slave until freed. Old Dan Sisson was her grandfather. Her father was Charlie McMillan,-- that is Luella Moss's father. Her father had some Indian blood or claimed it. I think they claimed it Cherokee. I don't know which one they claimed most ~~Indian~~ - father or mother. Her father's name was Charlie McMillan. He was never enrolled. It was probably because he was a slave. Julie Jerden was a great-grandmother to Luella Moss. I know of nothing else that would help this case.

Replying to your letter of July 8, 1907, you are advised that it is not necessary for claimants to employ attorneys to represent them in the matter of the Eastern Cherokee enrollment, unless their cases are very complicated.

However, if claimants choose to employ attorneys the matter of attorneys' fees is entirely between themselves and their attorneys.

Adaline Kinney being first duly sworn deposes and says:

My name is Adaline Kinney, and I am 55 years of age. I claim my Indian blood through my grandmother on my Mother's side. My mother's name was Mary Jane White. She came from Shelbyville, Ky. where she was born. She left there when I was a child. My mother was about 1/2 blood Indian. Her mother was Lotty White, and she was born and raised in Shelbyville, Ky. I remember her very well, and my great grandmother, who was a full Indian, also. My great grandmother's name was Julia White. They were both very old at the time of their death. They never got any money from the Government on account of their Indian blood. There was some colored blood in my family on my mother's side. The reason my grandmother great grandmother were both named white was because Judith White married a slave, who assumed her name. Her daughter Lotty White also married a slave who assumed her name. My grandmother Lotty White raised me. She was sometimes called Charlotte. I am sure that she was full blood Indian. She had brown skin, and she had long hair. I have an uncle living near here by the name of Jack White. He is Judy White's son, he is 96 years old.

Dear Sir-

I herein beg to hand you the following applications for filing for distribution of the fund for the descendants of the Eastern Cherokees. Lydia Dunsmore. Joseph Dunsmore, and Malinda Jane Reynolds, David Edward Reynolds, Meredith P. Reynolds, the last three being minor children of Loucinda A. Reynolds. The last three are filed in one application in the name of the mother Louisa A. Reynolds who had previously filed an application with Hon. F. E. Leupp, Com. of Indian Affairs, and the same has been registered and given a number, 20229.

When her claim was filed recently I was advised that it was not certain that minors should file also, and so the mother only filed for herself. In the enclosed application for the children I have referred to the no, of the mothers application for some of the details. If this is not correct I would be glad to know, and will correct the matter.

Yours very truly,

Sir:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state under what name you think your father was enrolled in 1852, being careful to write plainly and spell correctly? Why were your grandparents never enrolled? Were any of your ancestors ever slaves? Were any of them Old Settlers?

State clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Special Commissioner,

Dear Sir:

In re claim No. 20232, William C. Rogers.

The application in this claim seems to be very meagre and, for that reason, I desire to call your attention to the following:

During the year 1907, applicant wrote me in regard to his claim to enrollment as a citizen of the present Cherokee Nation and filed certain statements and papers, which are now in the correspondence.

It appears that this applicant made application to the Dawes Commission in 1896 and was rejected upon the ground of nonresidence and not appearing upon any of the authenticated rolls of the Cherokee Nation West.

The correspondence shows that two aunts of the applicant, by the name of Anna Irons and Mary Williams, appear upon the Old Settlers Roll of 1851. These aunts are on the father's side.

I have also a sealed certificate dated December 10, 1900, signed by J. T. Parks, Executive Secretary of the Cherokee Nation, stating that the names of William Paris and Thomas L. Rogers Jr., appear on the Old Settler Pay Roll of 1851 as orphans in Illinois

District. Affidavits in the correspondence show that William Paris was a half brother of Louis D. Rogers. Coker James Rogers was the father of Louis Rogers and his name appears upon the old roll of 1835.

It does not appear in the correspondence just what relation Louis Rogers may be to applicant, but it is supposed that he is a father or grandfather, and his application will show this fact. There is also information to the effect that Louis Rogers mother was named Elizabeth Rogers.

Please consider this information in connection with the above claim.

Very respectfully,

Appl. #20233-16041

Cynthia A. Brought being first duly sworn, deposes and says:

My name is Cynthia A. Brought. I live at Afton, Okla. I was not enrolled by the Dawes Commission. I claim my Cherokee blood through my mother, Judge Watts. She was born in Ga. ~~in~~ She was 52 years old and she died in 1884. She never received any land or money from the Govt. on account of her Indian blood. She lived amongst the Indians in Ga. I suppose she was a recognized member of the tribe. She moved to this country. She and her sister and her family. It was long before the war. I never tried to get any land out here. I did go before the Dawes Commission once, but I did not have any evidence. My grandfather did not get any land or money from the Govt. on account of his Indian blood. My grandparents lived on the reservation. My great-grandfather signed the Treaty. of 1805. I don't know whether any of my ancestors had anything to do with the Treaty of 1835. None of my uncles came west. None of them ever received any money from the Govt. as I know of.

COURT OF CLAIMS

Rec. NOV 30 1907
No.

Cyntha A. Braught et al,

vs. No. 158.

Cherokee Nation.

Mr. N. A. Gibson, Special Master to whom this case was referred, submits the following report:

(insert report)

BY THE COURT.

From this report it appears that the claimants base their right to be enrolled as citizens of the Cherokee Nation upon the ground that they are the descendents of Joseph Watts, who lives among the Cherokee Indians east of the Mississippi River, and upon the further ground that Cynthia Braught was married to her present husband under a licence issued by the clerk of the Delaware District, and that she was a Cherokee Indian by blood. The claimants with the exception of two or three families all reside in the Cherokee Nation, where they have resided for over fifteen years, having moved to the Cherokee Nation from the State of Tennessee. All the other claimants reside in the State of Texas.

There is some reference to the fact that the claimants have applied to the Cherokee Authorities for admission as citizens of the Cherokee Nation, but how, where or when they so applied, or what disposition was made of their application is not stated. They base their right to be enrolled as citizens of the Cherokee Nation upon the ground that they are Cherokee Indians by blood, and one of them upon the further ground that she was married to her present husband upon a license issued by the clerk of the Delaware District, Cherokee Nation, and that said licence states that she is a Cherokee Indian by blood.

This Court is of the opinion that the clerk of the Delaware District, Cherokee Nation, has no power to admit persons to citizenship, and that the recital in the licence to the effect

that she was a citizen of the Cherokee Nation by blood is not sufficient to establish that fact. It does not appear that any of the ancestors through whom they trace their Cherokee blood have ever been enrolled as a citizen of the Cherokee Nation.

The judgment of the United States Commission rejecting this case is affirmed, and the application of the claimants to be enrolled as citizens of the Cherokee Nation is denied.

: #158. REPORT OF SPECIAL MASTER.

THE CHEROKEE NATION.)

-----oOo-----

I, N. A. Gibson, Special Master, respectfully show to the Court that under the order heretofore made, I have examined the proof and pleadings in this cause, which are herewith filed and made a part hereof, and that I find as follows:

1

That this cause was instituted on September the 8th, 1896 at which time application was made to the Commission to the Five Civilized Tribes for citizenship by blood in the Cherokee Nation of Indians. That the cause was originally filed in the form of a separate applications for the different branches of this family, all brothers and sisters, with their children, and that the separate applications were passed upon by that Commission as follows:

The application of Cynthia A. Braught on November 24, 1896, That of Wilson W. Watts on October 26, 1896; that of Alice James on October 27, 1896, and that of Josephine January on October 27, 1896.

That all of said causes were consolidated and appealed to this Court on January 7, 1897.

II

That the application was made by Cynthia A. Braught, her husband Cloyd G. Braught and their children Willie C., Juda L., Roy T. and Crepie L. Braught, Alice James, her husband Eli James and their children R. Q. and Goldey James; Corden, John and Tibbets Chastain, Wilson W. Watts and his family, Josephine January, her husband, W. A. January and their children Joseph B., William D., Isaac W.,

Henry L, Robert L, and Ethel G. January; by Annie L. Farmer, her husband William C. Farmer and their child Emma R. Farmer; that the family of Wilson W. Watts above referred to consists of his wife, Margaret C. and their children Annie L. Farmer, just referred to above, Antie C., Lessie D., Alice, Katie, Willie and Pearl Watts, By Lewis Chastain, a son of Juda E. Chastain, for himself and for his wife Mollie Chastain, and his children, Alta , and Gertrude Chastain; and by Oryden Chastain, a son of Juda Chastain, for himself and for his wife Emily Chastain, and his children Beatrice, Alice C., Kirkie Jane, Lena W., and Wiley E. Chastain. That all of these claimants except Wilson W. Watts, his family and his daughter Annie L. Farmer and her family, who reside in the State of Texas, are residents of the Cherokee Nation, Indian Territory, where they have resided for over 15 years having moved from Tennessee.

III

That these claimants are brothers and sisters; that they are the children of Judie Chastain, nee Watts, who was the daughter of Pleasant Watts, who was the son of Joseph Watts, who was the son of John Watts, who is said to have been a Cherokee Indian , whose name appears upon the roll of the Cherokee Nation of the year 1835.

IV

That the claimants file in support of their application the affidavits of D. W. Chastain, James F. Butler, James T. Crone, Wilson W. Watts, Cynthia A. Braught, Joseph Truitt, Mary E. Truitt, and Milton Hood, a copy of a marriage license issued to Cloyd G. Brought, a citizen of the United States, and Miss C.A. Chastain, a citizen of the Cherokee Nation by blood, showing that the said C. D. Brought had complied with the laws regulating intermarriage with Cherokee Indians, issued by T. J. McGee, Clerk of Delaware District, Cherokee Nation, and showing that the said parties were joined in marriage under said license on October 19, 1882, by the Rev. B. F. Johnson, and also copies of affidavits filed in the

case of Judie Chastain, who applied to the Cherokee Nation for admission to citizenship, the said affidavits being made by the following parties: Joshua Patrick, John Ratling Gourd, Catherine Gaines, Rebecca Elliott, Edward Foreman, James Watts, David G. McCracken, Sarah E. McCracken, M.L. Hood, Joseph W. Derrick, M.A. Singleton, D.G. McCracken, Huldah Wilson, Sarah E. McCracken, Gideon F. Morris, John Holland, James Holland and Nancy Holland.

V

This proof shows that the claimants are the descendants of Joseph Watts, who lived among the Cherokees east of the Mississippi river, and who was a recognized Cherokee Indian, and shows further that Cynthia Braught was married to her present husband under a license issued by the Clerk of Delaware District, Cherokee Nation, in which it is stated that she is a Cherokee Indian by blood. That these principal claimants are all brothers and sisters, and all the descendants of the said Joseph Watts, and all reside in the Cherokee Nation, with the exception of the family of Wilson W. Watts, who reside in the State of Texas.

VI

The claimants contend that under the law applicable to this case, they having shown that they are descendants of Joseph Watts, who was a recognized Cherokee Indian, are now entitled to admission to the Cherokee Nation, while the Cherokee Nation contends that they having failed to show that Joseph Watts has been enrolled as a citizen of the Cherokee Nation since the removal west to the present location, these parties are now bared from admission to the Cherokee Nation as citizens thereof by blood.

The premises considered, I find that the claimants are the descendants of Joseph Watts, who was a Cherokee Indian by blood, that they are all of Cherokee blood and descent; that they are all residents of the Cherokee Nation with the exception of Wilson W. Watts, and family, and Annie L. Farmer and family, and that the proof does not show that Joseph Watts, the ancestor through whom

they trace their Cherokee blood, has ever been enrolled as a citizen of the Cherokee Nation since the removal west.

I further find that Cynthia G. Braught, the claimant herein, was married on October 19, 1882, to her present husband under a license issued by T. J. McGhee, the Clerk of Delaware District, Cherokee Nation, the said license stating that she was a citizen of the Cherokee Nation by blood.

I respectfully ask that the Court allow me a reasonable fee for my services as Special Master herein.

Respectfully submitted this 9 day of Oct. 1897.

READ BY COMR.
Sir:

Please find enclosed, the application of Richard Bean, for such share as may be due him of the fund appropriated by Congress, in favor of the Eastern Cherokees, with Power of Atty. I have not been able to obtain the act of Congress, nor the Decrees of the Court of Claims, so have had to go by rumor, & your blanks in making out claims. The understanding is, that all who have any Indian blood, are entitled. You will notice claimant does not know whether his father is living or dead, but he tells me, that according to nature, he must be dead, though he has never heard of the fact. You will notice I have brought out the genealogy of the family, to enable you to judge the merits of this case. It is a peculiar one.

Hon. J. E. Leupp,
Comm. Indian Affairs,

Having been raised by

little about them. I know
my Mother's Maiden name and
that is all.

My father if he knows
any thing about my grand parents
on my Mother's side never has

Mother's name is on the Cherokee roll but I can not trace my Ancestors for I have never been among them to learn about our family.

My Mother's family name was Downing and I know it is an old name. There has been one Chief among the Downings, I think he was my mother's Uncle.

I am sending application papers for share in Eastern Cherokee Fund.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. JUL 10 1907

A. J. J. J. J.

App. #20254.

July 13, 1907.

Ader Savage,

Lula,

Georgia.

Madam:-

Replying to your letter of July 8, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your claim you will be duly notified.

If you have any minor children you should file a supplemental application in their behalf.

Very respectfully,

NLC.

Special Commissioner.

No. 20254.

Ader Savage, being first duly sworn, deposes

and says:

My name is Ader Savage and I am twenty-seven years of age. I reside in Hall Co., Ga. and was born and raised in White Co., Ga. I claim relationship to the Indians, but I can't say to what tribe. I claim my Indian blood through my mother, Mary Popham, and she has been dead about eight years. She was about forty-four at the time of her death. My mother claims through her father, Armer T. Popham. My grandfather was born and raised in East Tennessee and then came to White Co., Ga. He lived in White County in 1861, and I do not know whether he was enrolled at that time or not. I do not know why he was not enrolled. I do not know that my grandfather was a Cherokee Indian. My mother always said that my grandfather was a half Indian. My father left his people in East Tennessee and they went back to the Cherokee Nation. I do not know that any of my ancestors were ever enrolled, nor do I know of them ever getting any money from the Government. I know of no witnesses who could testify for me in this matter. ~~Samuel~~ This is all I know about the case.

Union Miller Special Commissioner
Washington D. C.

Dear Sir

Yours of March 19th to hand and noted in
reference to my claim for participation
in the Eastern Cherokee fund: and in
reply have to say: I don't know why
my parents and grandparents were never enrolled
other - than I never heard of any enrollment
until this present time:

None of my ancestors were ever slaves:
all that ~~I that~~ I know in reference to
my claim is that grand father Benjamin
Helton was one half Cherokee Indian:
my mother was one fourth Cherokee
Indian: and I am one eighth Cherokee:

Yours Respectfully

Emma Allison

W. J. Allison, ----- being duly sworn, deposes
and says:

My name is W. J. Allison. I am 65 years old. I
in Hall Co., Ga. I know Emma Allison. I am her father.
My wife's name was Mary Hester. My daughter claims her Indian
blood through her mother. She claimed 1/4 Cherokee Indian
blood. My wife has been dead 20 years. My wife was about
70 years old. My wife was living in 1851. She was not en-
rolled. I know of no reason for her not being enrolled. She
never received any money from the Government. She claimed
Indian blood through her father, Benjamin Hester. I knew
Benjamin Hester. I cannot tell you why he was never enrolled.
My wife claimed through her mother Polly Hester. Polly Hester
claimed her blood through Benjamin Helton, her father. Benja-
min Helton was born in Tennessee and lived in Georgia. The
Indians visited us. I have often heard my wife speak of
visiting the Indian and her people being visited by them.
They have always been recognized as white people.

RECEIVED 1908

Miami, Oklahoma, Sept, 23/08

Hon. Guion Miller,
Washington, D C

Sir:

I wish to inquire if there has been any thing done in the cases for Eastern Cherokee money, Lucinda Elford, Fannie Hester, Dorothy Elford and Dora Bottonley; I represent these people by power of attorney and never was given a number. These parties have never given me their numbers if they have them.

Very truly yours,

P.S...also Lovell Ward and family.

N. J. Elford.

20272.

Misc1.

Lovel and being first duly sworn in behalf of Flem Ward deposes and says:

I was born in 1849. Flem Ward, Lucy W. Blair, Frank Ward and Edward Ward are my children. I claim their Indian descent through me. Emma R. Blair is my grandchild, the daughter of Lucy Blair. Andrew S. Blair is my son-in-law, Lucy's husband. He has no Indian blood at all. His name was just put in because he was the husband of Lucy. The name Andrew Blair in application No. 20,288 should have been Frank as that is the name of Lucy's youngest child. My wife is a white woman. I derive my Indian blood from my father. My mother was a white woman. I think my father was born in 1816. I think in Ohio, but am not certain. Neither I nor my father ever lived with the Indians as a member of the tribe. My father's name is Gilbert Ward, and his father was named William Ward. Neither I nor my father were ever in the Indian roll that I know of. My father died about 15 or 16 years ago in Cherokee Co., Ga., and shortly before he died he was taken to the Cherokee Nation, but he was enrolled while he was down here or not, I don't know. I think in 1851 my father was living close to Columbus, Ohio. He was raised in Ohio. William Ward died in the State of Ohio before I was born. I don't know what year it was. He was known as a white man in the community where he lived, and my father was so recognized before he died. Jos and Henry Ward were full brothers of my father. The both live in Ohio. Henry lives there, but I don't know what he does for a living. My father claimed to be a full-blooded Ohio Indian.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state clearly the name of the ancestor through whom you claim the right to share in this fund? Why were your parents not enrolled in 1851, if, as you state in your application, they were living at that time? Give the full names of your grandparents on both sides, and state whether they, or any of them, were ever enrolled? Were any of your ancestors slaves? You state in your application that your great-grandmother's name was Elmore. Can you state her full name?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Artis Bailey being first duly sworn, deposes and says:

My name is Artis Bailey. I was born in 1854 in Bartow Co., Ga. I claim through my father and his mother. I claim Cherokee Indian blood. ~~xxxxxxxxxx~~ 1864 and my father ~~xxxxxx~~ was born between 1830 and 1835. I could not say where my mother was born and raised. North Carolina, I think. My father and grandmother were recognized as Indians, part white. They lived with the white people. I never heard of my father or mother getting any money or land from the Government on account of their Indian blood. In 1882 I was living in Milton Co. Ga. I have heard my mother speak of the treaty, and about their being driven away. I don't remember what she said. My mother told me that my father and his mother were living in Franklin Co. Ga. when the Indians were driven away. She, my mother, never told me why my father was not driven out with them. My grandmother's name was Melissa Crane before she was married. My grandmother's father's name was Teihen Crane. I never heard of my father or his mother living with the Indian tribe and taking part in tribal matters. I spent 18 months myself in L. T. Three miles from Muskogee. I did not get any land out there, and did not make an application. I was advised to. I never heard of any of my family being enrolled. I have no record of them ever being enrolled. I have heard my father speak of a treaty in 1835. I don't remember what he said. When the Indians were driven out of here my father and grandmother were living with the white people. They never have lived with the Indians that I ever heard of. I don't know why my father and grandmother were not driven away with the Indians.

Sir

I recieved yours of april 20 to day will say the only reason that I know for my ancestors names are not on the rolls if they are not on them is their own carelessness I never saw my great-grand mother Hannah Stone & my grand mother malissa cruse and my father J. W. Bailey always claim to be of the Cherokee indian tribe through the line of ancestors that I give in my claim to make a claim was the only way I had of finding out ~~the~~ whether or not their names were on the rolls we are of indian and Irish decent and none of us were ever slaves and if I do not get any thing from the indian claims I shall always claim that I descended from the Cherokee indian tribe for I fully believe so from what my father and mother and grand mother and grand father and all others ~~who~~ knew them said that they were satisfied they were of the Cherokee tribe, now if my claim is not all right and will ^{not} stand the test I will abide ~~by~~ the consequences I do not desire the claim if it does not belong to ~~the~~ me I sent in my claim in good faith the men who sign my claim did so in good faith that I was the man I represented myself to be, all I want is if my claim comes up all right I will much ablidge
